Love Jenkins Associates

M&E Consultant

Peter Deer & Associates

Vivid was appointed by Camden & Islington Community Solutions to fit out the Hornsey Street Community Healthcare Centre in north London. The project was carried out in three separate buildings covering 2,000 square metres and provided staff training and conference facilities plus NHS primary care facilities including dentistry, minor surgery, treatment for drugs and alcohol abuse and biomechanic and physiotherapy. Works included the installation of new M&E services, specialist joinery, ceilings, flooring and medical cabinets.
