M&E Consultant
Hitek Consultants

Structural Engineer
JPP Consulting

This project was undertaken for the School of Oriental and African Studies, part of the University of London. In the Old Building on the Russell Square campus, refurbishment was carried out to the research facilities, performance space, lecture theatre, showers and toilets. A new post room was constructed in the outside service yard area. Other works included office reconfiguration and new performance stages. M&E services were installed together with new furniture and fittings, floor finishes, suspended ceilings and decoration.
